1 The primary credit card account must be open and in good standing at the time of qualification. The primary cardholder is fully liable for all transactions made by the additional cardholders, including minors, in the use of the credit card, including fees and finance charges. This campaign waives the additional card fee for Year 1. If any card is stolen or lost, all cards on the account will be blocked for security reasons. The transactions of the additional cardholders will not be shown separately from the transactions of the primary cardholder on the account statement. The primary cardholder can include any person as an additional cardholder. All cardholders share the primary cardholder's account credit limit, regardless of the number of cards on the account.
