IMPORTANT NOTICE

This information should be read in conjunction with the Conditions of Use of your Credit Card, which are available at any branch or on the website www.republicbankstlucia.com. Customers must ensure that they read and understand these Conditions of Use.

BILLING ERRORS OR QUESTIONS

Check your statement carefully for unauthorized charges/transactions. Queries concerning any entry on your statement must be made in writing by the principal Cardholder. Please provide a brief description of the error and include the date and reference number of the transaction(s) in question as shown on your statement and include your account number on all correspondence. You are to submit this information to email@rfhl.com within thirty (30) calendar days after the end of the relevant Billing Period after which time the Bank will not be obliged to consider any query.

CHARGES

Interest: Providing there is no previous balance outstanding, there will be no charge if the full amount of new transactions shown on this statement is paid by the payment due date. Interest accrues daily from the transaction date, and is calculated by multiplying the outstanding balances (which includes beginning balances plus new purchases, cash advances and fees minus payments and credits) by the effective annual rate of interest and dividing by the number of days in the year.

Cash Advances: The amount of any Cash Advance shown in the statement does not include the handling charge. This charge is shown separately.

Overlimit Fee: This fee will be debited to your Credit Card Account on the date on which your account goes overlimit, and monthly thereafter until your account is regularized. If you require an increase in your line of credit, prior arrangements should be made with the Credit Card Centre to avoid this charge.

Late Payment Fee: If the total minimum payment is not made by the next statement date then a late payment fee will be debited to the Credit Card account on that date.

Annual Card Fee: The annual fee will be debited to your Credit Card Account.

CHANGES

Any changes in address, employment, telephone numbers etc., should be submitted via email to email@rfhl.com.

CUSTOMER SERVICE

MINIMUM PAYMENT

Your minimum payment is given in detail at the front of this statement. You may pay any amount between the minimum payment and the present balance. It is important to note that at least the minimum payment shown on your statement every month must be made to keep the account current. Payments made on or before the billing date are not applied to future minimum payments. For secured Republic Bank Personal Credit Line accounts, the Minimum Payment is the interest on debt, subject to a minimum amount (or such other Minimum Payment as may be notified to you from time to time). Minimum Payments must be made in XCD to the Account.

PAYMENTS

Payments can be made at any banking branch of Republic Bank or electronically via Republic Bank Online or Republic Bank Mobile Banking. Payment is fast and easy when you utilise the detachable payment vouchers and statement. The branch will stamp your statement as evidence of receipt of your payment.

You should allow ten (10) working days for postal payments. Do not send cash through the mail.

If necessary, you may make a payment without the detachable voucher, but you must ensure your Credit Card Account number and name are clearly noted on the voucher.
